

ELECTRIFYING TORAH INSIGHTS

ABOUT

ANGELS

1. What are the many kinds of angels that exist?
2. Can a human being actually create an angel?
3. To which exalted spiritual realm does a person connect when reciting Tehillim?
4. Is it possible for an angel to be defective?
5. How do angels affect our daily lives?

This captivating and thought-provoking book unlocks these mysteries and many more, revealing profound insights drawn from the depths of Torah. With over sixty beautifully crafted essays, this book unveils the Torah's understanding of angels and their spiritual significance. A journey of wonder and discovery, this essential guide invites readers to see the world, and themselves, through a higher, holier lens.
